The Willamette reveals a massive great room highlighted by a gas fireplace with custom stone accent and mantel along with an abundance of windows. This space beautifully intertwines the dining area to the uniquely designed chef's kitchen overlooking the private covered rear patio. The large island, Huntwood custom cabinets, Italian Bertazzoni range with Bertazzoni hood vent, quartz countertops with full height subway tile backsplash, mosaic tile deco, and walk-in pantry complete this over the top kitchen. Choose the option of a mini-master suite with a 5-piece spa bath or a den/suite with kitchenette and three quarter bath on the main floor. Upstairs you will find a spacious master retreat that will amaze you with a designer 5-piece bath which includes, quartz counters, tile flooring, free-standing spa tub, tile surround shower and, two walk-in closets. A spacious loft, three additional bedrooms, and a full bath provide that extra needed space. Choose exactly how you want to use the workshop/storage room in addition your 2-car garage.
